Contact Centre POP™

Select the *right* people for your Contact Centre roles *every time*.

The reasons why more and more Call Centres use our Assessments are simply in the numbers:

- Reduced attrition by up to 40%
- Improved time to hire by 50%
- 27.4% higher performance ratings
- Increase revenue per call by 74%

- 24% improvement in speed to productivity
- Reduced staff turnover rates by 150%

Specifically designed and built for Contact and Call Centres, our assessment platform solves the business issues you face every day – affordably, easily & efficiently.

The scientific design ensures that it is easy to use and apply

by all recruiters, hiring personnel and managers.

So easy to use that NO certifications are required.

You gain all the insights, data, and analytics you need to deliver successfully on your results.

Annual scientific validation gives you the comfort and the reassurance you need in your selection process.

The Contact Centre POP™ predicts:

- Overall suitability
- Match to positions
- Performance
- Potential
- Match to the environment
- Attrition rates
- Career fit
- People orientation

Improve your competitive advantage:

- Leverage predictive science in your decision-making process while mitigating bias & risk
- Improve individual & team performance & results
- Drive employee engagement & retention
- Enhance job fit selection & desired culture
- Succession & development planning for the future
- Predict each step of your talent strategy
- ROI with Measurable Outcomes: Cost Per Hire/Turn, Revenue/Sales Growth, CSAT & NPS Score

We make it easy for you:

- Saves money & time
